De Paul University
Department of Economics
1 E. Jackson Blvd., Room 6225
Chicago, Illinois 60604

EDUCATION

- 1976 University of Minnesota Ph.D., Economics
Thesis: Two Essays in Time Series Analysis
- 1968 University of Michigan B.A., Mathematics
(including actuarial science) and Economics – High Distinction and Phi Beta Kappa

PROFESSIONAL SOCIETY MEMBERSHIPS AND AFFILIATIONS

President (2007-8), National Association of Forensic Economics (NAFE) and Charter Member; former Mid-West Vice President and Board of Directors Member, 2003-2005; Past President's Award Winner, 2010, for Outstanding Service to NAFE; Econometric Society; American Economic Association; American Academy of Economic and Financial Experts (AAEFE); Society for American Baseball Research

EXPERIENCE

- | | | |
|------------|-----------|--|
| (Academic) | 1989- | Faculty member (adjunct), De Paul University.
Courses Taught: Economics for Decision Making; Money, Banking, and Economic Activity; Statistical Forecasting and Applied Time Series and Forecasting (in the MA program in the Economics Department. Periods of most active teaching, 1989-2011; visiting professor in Bahrain, 2010). |
| | 1980-1985 | Assistant Professor, University of Chicago, Department of Economics. Taught various Ph.D. economics courses and served on students' Ph.D. examining and thesis committees. |
| | 1976-1980 | Assistant Professor, Graduate School of Business, University of |

- Chicago. Taught business forecasting, and various econometrics courses, in both the Ph.D. and MBA Programs.
- 1976 Visiting Instructor, University of Wisconsin, Department of Economics. Taught graduate macroeconomic theory course.
- 1974-1975 University of Minnesota, Department of Economics. Taught in graduate microeconomic theory courses with Regents' Professor Leonid Hurwicz and Professor James Henderson
Note: Professor Hurwicz Sims won the 2007 Sveriges Riksbank Prize in Economic Sciences in Memory of Alfred Nobel (the Nobel Prize in economics).
- 1972-1973 University of Minnesota, Department of Economics. Taught in graduate macroeconomics theory courses with Professors Thomas Sargent, Christopher Sims and John Kareken.
Note: Professor Sargent and Professor Sims both won the 2011 Sveriges Riksbank Prize in Economic Sciences in Memory of Alfred Nobel (the Nobel Prize in economics).
- 1971-1972 University of Minnesota, Department of Economics. Taught in graduate microeconomics theory courses with Professors Edward Foster, Peter Clark and Leonid Hurwicz
- 1968-1971 University of Minnesota, Department of Economics. Taught principles of economics courses.

OTHER ACADEMIC ACTIVITIES

Special Editor, with David Tucek, of "Data Points" section of *Journal of Legal Economics*, since April, 2013

Referee for the leading academic journals and organizations in economics, econometrics, and statistics, including: *Econometrica*; *Journal of Political Economy*; *Journal of Econometrics*; *International Economic Review*; *Journal of Business*; *Journal of the American Statistical Association*; *Journal of Legal Economics*; *Journal of Forensic Economics* and *Litigation Economics Review*.

Referee for book publishers, including Stanford University Press, Oxford University Press and Prentice Hall, Inc.

Referee for National Science Foundation.

NON-ACADEMIC EXPERIENCE

1988- President, Legal Econometrics, Inc. (See Appendix 1)

1988-1995 Statistician and economist. Engaged in baseball salary arbitration preparation and consultation.

- 1985-1988 Vice President, R.C.F., Inc.
Econometric methods and economics consulting.
- 1981- Economics consultant for attorneys; services included providing present value calculations, personal injury/wrongful death cases, copy infringement evaluation, and asset evaluations involving foreign denominated assets, and many others. Clients included I.R.S., large and small law firms as well as city, state and federal government entities; testified in various U.S. District Courts, State Courts and U.S. Tax Court.
- 1982-1987 Officer in Association of Personal Computer Users (APCU), a professional micro-computer group; University of Chicago I.B.M. PC User Group President, 1983-1985; APCU President, 1985-1987.
- 1984-1990 Co-chairman and Chairman, Committee on Computerization, Society of American Baseball Research – (SABR).
- 1977- Economics consultant – time series analysis, forensic economics, and forecasting.
- 1973-1976 Consultant, Federal Reserve Bank of Minneapolis.
- 1971 Assistant Economic Affairs Officer, United Nations Conference on Trade and Development (UNCTAD) Geneva, Switzerland (4 months).

PUBLICATIONS

“Life Expectancies and Annuities: A Modern Look at an Old Fallacy” forthcoming (2018), with James E. Ciecka, *Mathematics Magazine*

“Expected Labor Force Activity and Retirement Behavior by Age, Gender, and Labor Force History” 2017, (with James E. Ciecka), *Statistics and Public Policy* 4(1), 1-8, plus Appendix and Supplementary Material.

"Decompositions of 1 That Incorporate Growth" (with James E. Ciecka), *Journal of Legal Economics*, 22(1), October, 2015, p. 39-54.

"Transitions Into and Out of Disability, " *Journal of Forensic Economics*, December 2015, Vol. 26, No. 1, pp. 17-51, (with Kurt V. Krueger), (appearing in print in early 2016, accessible electronically on the Journal of Forensic Economics web site for subscribers, at <http://www.journalofforensiceconomics.com/doi/pdf/10.5085/0898-5510-26.1.17>).

"Decompositions of 1 Related to Term Annuities, Whole Life annuities, and Temporary Life annuities" (with James E. Ciecka), *Journal of Legal Economics*, 21(2), April, 2015, p. 39-52.

"A Perpetuity, Life annuity, and Life Insurance Related to a Decomposition of 1" (with James E. Ciecka), *Journal of Legal Economics*, 21(1), October, 2014, p. 57 - 65.

Worklife Expectancies of Railroad Workers Based on the Twenty-fifth Actuarial Valuation (with James Ciecka), Washington, D.C., 2014: The Association of American Railroads, available at [https://www.aar.org/Documents/Operations/AAR Monograph 25th Valuation.pdf](https://www.aar.org/Documents/Operations/AAR%20Monograph%2025th%20Valuation.pdf) .

"Worklife Expectancy of Railroad Workers Based on the Twenty-Fifth Actuarial Valuation Using Both Competing Risks/Multiple Decrement Theory and the Markov Railroad Mode" *Journal of Forensic Economics*, 25(2), 2014, p. 109 - 127, (with James E. Ciecka).

"An Autoregressive Model of Order Two for Worklife Expectancies and Other Labor Force Characteristics with an Application to Major League Baseball Hitters" (with James E. Ciecka), *Journal of Legal Economics*, 18(2), April, 2012, p. 47 - 78.

"Recursions in Forensic Economics" (with James E. Ciecka), *Journal of Legal Economics*, 18(2), April, 2012, p. 143 - 160.

"Probability Mass Functions in Forensic Economics" (with James E. Ciecka), *Journal of Legal Economics*, 18(1), October 2011, p. 95 - 107.

"The Markov Process Model of Labor Force Activity: Extended Tables of Central Tendency, Shape, Percentile Points, and Bootstrap Standard Errors" (with James E. Ciecka and Kurt V. Krueger), *Journal of Forensic Economics*, 22(2), August 2011, p. 165 - 229.

"Interchangeability of the median operator with the present value operator" (with James E. Ciecka), *Applied Economics Letters*, 2012, **19**, p. 477-481.

"A Markov Process Model of the Number of Years Spent in Major League Baseball" (with Anthony C. Krautmann, James E. Ciecka) in *Journal of Quantitative Analysis in Sports*, 6(4), August, 2010.

"Probability Mass Functions and Their Characteristics for Years in Retirement, and Years to Retirement Within the Markov Model" (with James Ciecka), *Demography*, 47(3), August, 2010, p. 609-628 and online supplement

"Present Value Recursions and Tables," with James E. Ciecka, *Journal of Forensic Economics*, 21(1), December 2009, p. 63 - 98. (appeared January, 2010).

"The Economics of Personal Injury and Wrongful Death Litigation: The State of Illinois," (with James E. Ciecka) *Journal of Forensic Economics*, 20(3), Fall 2007, p. 271-314. (appeared May, 2009).

"The Relation between Two Present Value Formulae," with James E. Ciecka and Gerald D. Martin, *Journal of Legal Economics*, Volume 15, No. 2, April, 2009, pp. 61-74.

“Comment on paper by Butt, Haberman, Verrall and Wass”, *Journal of the Royal Statistical Society*, 171(4), 2008 p. 802-803.

“Arithmetic Means, Geometric Means, Accumulation Function and Present Value Functions” (with James E. Cieccka), *The Earnings Analyst X*, 2008 p. 1-29.

“Allocation of Worklife Expectancy and the Analysis of Front and Uniform Loading with Nomograms,” (with James Cieccka), *Journal of Forensic Economics*, 19(3), Fall 2006, p. 261-296. (appeared Sept, 2007).

“Worklife Expectancy Via Competing Risks/Multiple Decrement Theory with an Application to Railroad Workers,” (with James Cieccka), *Journal of Forensic Economics*, 19(3), Fall 2006, p. 243-260. (appeared Sept, 2007).

Worklife Expectancies of Railroad Workers Based on the Twenty-Third Actuarial Valuation (with James Cieccka), Washington, D.C., 2007: The Association of American Railroads, available at <http://www.aar.org/pubcommon/documents/AARMonograph.pdf>.

“Full and Part Time Worklife Expectancy”, (with James Cieccka and Kurt Krueger), *Journal of Forensic Economics* 19(1), Winter 2006, pp. 61-82.

“Markov Model Worklife Expectancies and Association of American Railroads Type Worklife Expectancies of Railroad Workers Based on the Twenty-Second Actuarial Valuation of the US Railroad Retirement Board” (with James E. Cieccka), *The Earnings Analyst VIII*, 2006 p. 13-25

“The Markov Assumption for Worklife Expectancy” (with Edward Foster), *Journal of Forensic Economics* 17(2), Spring/Summer 2004, pp. 167-183. (with the paper appearing in September, 2005)

“Reconsidering and Extending the Conventional/Demographic and LPE Models: The LP_d and LP_i Restricted Markov Models,” (with James Cieccka), *Journal of Forensic Economics* 17(1), Winter 2004, pp. 47-94. (with the paper appearing in June, 2005)

“Probability Mass Functions for Years to Final Separation from the Labor Force Induced By the Markov (Increment-Decrement) Model,” with James Cieccka, *Journal of Forensic Economics* 16(1), Winter 2003, pp. 51-86. (with the paper appearing in 2004).

“The New Gamboa Tables: A Critique,” with James Cieccka and James Rodgers, *Journal of Legal Economics*, Fall, 2002, pp. 61-86. (with the paper appearing in 2004).

“Parameter Uncertainty in the Estimation of the Markov Model of Labor Force Activity: Known Error Rates Satisfying Daubert” with James Cieccka; to appear in *Litigation Economics Review*, Vol. 6, No. 2, Winter, 2002, pp. 1-27. (with the paper appearing in December, 2004).

“The New Worklife Tables’ Critique: Rejoinder”, with David Toppino, *Journal of Forensic Economics* 15(1), Winter 2002, pp. 81-97. (with the paper appearing in July, 2003)

“The Magic Box: Logical Relations Among Present Value Variables” (with Gerald Martin), *The Earnings Analyst*, 2005, Volume VII, p. 1-14; a subset of this paper has appeared at paragraph

1260 of Martin, Gerald D., *Determining Economic Damages*, 2003, Costa Mesa, CA: James Publishing, Inc.

“Probability Mass Functions for Additional Years of Labor Market Activity Induced by the Markov (Increment-Decrement) Model”, with James Cieccka, *Economics Letters*, Vol. 77, No. 3, pp. 425-431.

“The Markov (Increment-Decrement) Model of Labor Force Activity: New Results Beyond Work-Life Expectancies,” with James Cieccka, *Journal of Legal Economics*, Volume 11, No. 1, Spring/Summer, 2001, pp. 1-21.

“The Markov (Increment-Decrement) Model of Labor Force Activity: Extended Tables of Central Tendency, Variation and Probability Intervals,” with James Cieccka, *Journal of Legal Economics*, Volume 11, No. 1, Spring/Summer, 2001, pp. 23-87.

“An Essay on the New Worklife Expectancy Tables and the Continuum of Disability Concept”, *Journal of Forensic Economics*, Vol. 14, No. 2, 2001, pp. 135-140, with James Cieccka

“Disability and the New Worklife Expectancy Tables from Vocational Econometrics, 1998: A Critical Analysis”, *Journal of Forensic Economics*, Vol. 12, No. 3, 1999, pp. 239-254 (with David C. Toppino).

“Worklife Expectancies of Railroad Workers”, *Journal of Forensic Economics*, Vol. 11, No. 3 1998, pp. 237-252 (with James Cieccka).

“Local Asymptotic Specification Error Analysis,” *Econometrica*, Vol. 52, No. 4 (July 1984), pp. 873-885. (with Nicholas Kiefer).

“Systematically Missing Data in Econometric Models: Some Identification Considerations,” *Staff Report No. 13*, Federal Reserve Bank of Minneapolis (November 1976).

“Causality Characterizations: Bivariate, Trivariate, And Multivariate Propositions,” *Staff Report No. 14*, Federal Reserve Bank of Minneapolis (November 1976).

“Measuring Runs Created: The Value Added Approach,” in *The Bill James Baseball Abstract*, New York: Ballantine Books, 1987, pp. 280-285.

Skoog, Gary R., "Hedonic Valuation Issues," Chapter 14 in *Forensic Economics: Assessing Personal Damages in Civil Litigation*. NY: Palgrave Macmillan, 2016, pp. 221-244.

Skoog, Gary R. and James E. Cieccka, "Evolution of Worklife Expectancy Measurement," Chapter 4 in *Forensic Economics: Assessing Personal Damages in Civil Litigation*. NY: Palgrave Macmillan, 2016, pp. 33-56.

Skoog, Gary R., and James E. Cieccka. 2009. “Markov Work Life Table Research in the United States.” *Personal Injury and Wrongful Death Calculations: Transatlantic Dialogue*, Contemporary Studies in Economic and Financial Analysis, Volume 91, 135-158.

“Recent Developments in the Measurement of Labor Market Activity (with James E. Ciecka), Chapter 6 of *Developments in Litigation Economics*, Contemporary Studies in Economic and Financial Analysis, Volume 87, edited by Patrick A. Gaughan and Robert J. Thornton, Amsterdam, Holland: Elsevier, 2006, p. 119-157.

“The Markov Assumption for Worklife Expectancy (with Edward M. Foster), Chapter 12 of *Economic Foundations of Injury and Death Damages*, edited by Roger T. Kaufman, James D. Rodgers and Gerald D. Martin, Northampton, MA, USA: Edward Elger Publishing Limited, 2006 reprinted from the *Journal of Forensic Economics*, 17(2), 2004, Spring/Summer, p. 167-183.

“The Markov (Increment-Decrement) Model of Labor Force Activity (with James E. Ciecka), Chapter 13 of *Economic Foundations of Injury and Death Damages*, edited by Roger T. Kaufman, James D. Rodgers and Gerald D. Martin, Northampton, MA, USA: Edward Elger Publishing Limited, 2006 reprinted from the *Journal of Legal Economics*, 11(1), 2001, Spring/Summer, p. 1-21.

“The Net Discount Rate: Logical Relations Among Present Value Variables (with Gerald D. Martin), Chapter 33 of *Economic Foundations of Injury and Death Damages*, edited by Roger T. Kaufman, James D. Rodgers and Gerald D. Martin, Northampton, MA, USA: Edward Elger Publishing Limited, 2006 reprinted from *The Earnings Analyst*, Volume VII, 2005.

INVITED ADDRESSES

“Life Care Plans, Household Services, and Their Evaluation by Forensic Economists,” invited presentation to the International Symposium on Life Care Planning, sponsored by the Foundation for Life Care Planning Research and the International Academy of Life Care Planners Section of the International Association of Rehabilitation Professionals (IARP), 2009 Conference, Lincolnshire, Illinois

“Hedonic Damages,” American Rehabilitation Economics Association (AREA) 2009 Annual Spring Conference, Chicago, IL (opposing them, with Tom Ireland)

“Worklife Expectancies of Railroad Workers and Obtaining Set-Offs of RRB Disability Annuities,” invited presentation to the National Association of Railroad Trial Counsel, 2007 Fall Meeting, Austin, Texas, October 12, 2007

“LPE (Living, Participation, Employment) Models,” invited presentation to the American Association of Rehabilitation Economics (AREA) 2007 Annual Spring Conference, Pittsburgh, Pennsylvania

“Worklife Expectancies and Railroad Workers,” invited presentation to the National Association of Railroad Trial Counsel, Special Litigation Conference XVII, Whistler, British Columbia, Canada, February 8, 2007

“Worklife – Years of Activity and Expectancy: Extended Theory and Tables”, invited presentation to the International Association of Rehabilitation Professionals (IARP) 2004 Forensic Conference, San Antonio, Texas

“Tables (of Gamboa, VE and VEI) Attempting to Measure Disabled Worklife Expectancy”, invited presentation to the International Association of Rehabilitation Professionals (IARP) 2004 Forensic Conference, San Antonio, Texas

“The Allocation of Worklife Expectancy and the Analysis of Front and Uniform Loading” (with James Ciecka) invited presentation for Fall, 2004 AAEFE meetings in Nashville, Tennessee

“Recent Developments in Worklife Expectancy and Years to Final Separation” (with James Ciecka), invited presentation to American Rehabilitation Economics Association (AREA) 2004 Annual Spring Conference, Reno, NV

“Recent Developments in Worklife Expectancy” (with James Ciecka) invited presentation for Fall, 2003 AAEFE meetings in Santa Fe, New Mexico

The New Worklife Expectancy Tables invited presentation, American Rehabilitation Economics Association (AREA) 2001 Annual Spring Conference, Reno, NV

SELECTED UNPUBLISHED PAPERS PRESENTED AT MEETINGS

“Worklife Expectancy Reductions for Medical Conditions,” paper presented at the January, 2012 NAFE sessions of the Allied Social Sciences Association meetings, San Francisco, CA (with James Ciecka and Robert Shavelle)

"A Note on Lost Pension Benefits and Household Services in Wrongful Death Cases: Some Useful Information Gleaned from Probability Mass Functions," paper presented at the June, 2010 Western Economics Association meetings, Portland, OR (with James E. Ciecka),

“Worklife in a Three State Markov Model with CPS Disability,” paper presented at the Autumn, 2006 Salt Lake City economics meetings, (with James Ciecka and Kurt Krueger)

“Worklife Expectancy: Theoretical Results”, paper presented at the 2002 American Economics Association meetings, Atlanta, GA

“State Aggregation in the Increment-Decrement Model: The General Conditions, With an Application to Disability”, paper presented to the Western Economics Association annual meetings, Seattle, 2002

APPENDIX 1

Dr. Skoog and Legal Econometrics, Inc. have furnished litigation support services, expert witness, and/or non-testifying consulting services in the areas of:

- annuity evaluation
- anti-trust
- banking
- bankruptcy
- baseball salary arbitration
- breach of contract
- copyright damages
- cost analyses
- demand systems modeling and forecasting
- dissolution/divorce
- employment discrimination - liability determination
- employment discrimination - damages determination
- construction delay
- economic analysis of business opportunity
- electrical utility rate analysis
- environmental economics
- experimental design
- hospital and health costs analysis
- household services
- international asset valuation
- insurance defense
- lender liability
- loss of business opportunity
- lost profits forecasting
- Monte Carlo modeling
- patent damages
- personal injury
- product liability
- railroad lost wages and benefits
- real estate taxation damages - tax rates
 - under-represented to homeowners
- sample survey methodology
- statistical hypothesis and significance testing
- statistical analysis of marketing data
- structured settlements
- taxation
- tortious business interference
- valuation of business
- wrongful death
- wrongful termination of distributorships
